	<p><b>Waterfowl Carving Volumes 1 &amp; 2</b></p> <p>Jim Pearce</p> <p>These are two of the very few books written by a British carver (I believe he used to be a member of our group!). Covers everything you need to know to carve waterfowl. Vol. 1 concentrates on tools and carving technique to produce a finished Goldeneye while Vol. 2 deals with power carving tools and painting techniques</p>	<p><a href="#">Jim Flinn</a></p>
	<p><b>John Scheeler – Bird Carver</b></p> <p>Roger Schroeder</p> <p>If you are looking for inspiration this is the book for you. Scheeler was one of the best and most innovative carvers in the world. Sections on his techniques and insights from other great carvers who knew Scheeler and his work.</p>	<p><a href="#">Jim Flinn</a></p>
	<p><b>Carving Award winning Songbirds</b></p> <p>Lori Corbett</p> <p>This book is described as an encyclopaedia of Carving, Sculpting and Painting techniques! Step-by step projects for Mountain Bluebird, Cedar Waxwing and Red-Breasted Nuthatch</p>	<p><a href="#">Jim Flinn</a></p>
